Dear parents,

Re: Tell Them From Me Parent Survey 2018

RCI is participating in an evaluation system (Tell Them From Me---Our Schools) that allows parents to express their views and participate in a school-wide evaluation in a non-threatening way. As part of this process, we are asking all parents attached to RCI questions about their perceptions of their children's experience at home and school.

Your participation in the survey is anonymous and confidential. When you submit your survey, the responses are recorded on a secure site without personal identifying information. Your answers will be mixed with those of other parents/guardians from the school so that the answers you provide can never be identified as yours. You may skip any questions you do not wish to answer.

Please use the following link to answer the survey for Rivers Collegiate:

This is not a mandatory survey; however, the more information we gather about our school the better we can work to provide students with positive experiences while at RCI. If you have any questions, please call the school for more information.

Sincerely,

Mike Klassen
